

# BRIDGING THE GAP FOR LEARNERS SEEKING INSETA CONCESSIONS

Some learners may not qualify for exemptions from Inseta for two languages and math in their Matric/Grade 12 certificate. Cocciolino provides programs to fulfill fundamental unit standards, focusing on numerical literacy and language credits through online learning clusters.

## Features of Cocciolino's Online Fundamental Skills Programmes:

- Interactive online learning with built-in assessments.
- Building of a Portfolio of Evidence (POE) with assignments, projects, and/or case studies.
- External invigilated closed-book knowledge assessment per skills programme.

English Communication Skills	Afrikaans Communication Skills	Numerical Literacy
The Cluster is made up of 20 credits. R5237.10	The Cluster is made up of 20 credits. R5237.10	The Cluster is made up of 16 credits. R4775.75
